When you're out driving with your family you probably see cars with bumper stickers. They are usually colorful, funny, and make an interesting point.

**Your task:** Create a short statement based on the unit we've been studying.

Your bumper sticker must be:

- Related to a specific fact in your notes
- Colorful (With block letters and a colored background)
- Thoughtful. Show that you put effort into the Bumper sticker's message.
- High quality. If you rush this assignment I will send you back to redo it.
