

# Play/Skit

**Your task:** Write and act out a 3-5 minute play about a specific historic event. You will include a background for scenery (either drawn or projected) and any necessary props.

Your play must...

- ☛ Include a written script (3-5 pages)
  - each page of a script takes about a minute to perform so your script should be between 3-5 pages
- ☛ Be performed mostly from memory in front of the whole class! (do not just read your script!)
- ☛ Be approximately 3-5 minutes in length when performed.
- ☛ Include backgrounds for each scene (either real or virtual)
- ☛ Use at least 1 prop or costume
- ☛ Be historically accurate
