

# Worlds Collide

**Your task:** Choose one aspect of civilization and compare it among two civilizations assigned by your teacher.

**Instructions:**

1. Fold a blank paper in half.
2. Along the top of each half write the name of the civilization in big, colorful letters.
3. Along the bottom of the page in the middle write what aspect of civilization you are comparing (geography, society, technology, weapons of war, achievements, government, architecture, etc).
4. On each side of the paper draw and color a picture that shows the aspect of civilization you have picked.
  - a. The picture should take up most of the half page if not all of it.
  - b. The two pictures should highlight the differences between the civilizations.
5. Then write a caption under each picture.
